

Legislative Impacts on Healthcare Delivery

Beverly Razon

Senior Vice President, Public Affairs

Agenda

- Copic's Public Policy Focus
- Trends in Policies Impacting Healthcare Delivery
- Election Impacts
- Predictions

Copic's Policy Focus

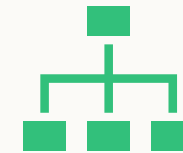

Access

Tort Reforms/Caps
Barriers to deliver care

Delivery

Impede the physician-patient
relationship
Codify medicine or limit
medical judgement

Quality

Professional Review
Quality Management
Scope (sort of)

Policy Trends in Healthcare Delivery

**Healthcare
Workforce**

**Conflicting
Pressures:**

Cost, Quality, Access

Liability

Healthcare Workforce

Well intentioned or overly prescriptive?

- Continuing Medical Education
- International/Foreign Medical Graduates
- Nurse Staffing Ratios
- Noncompete Agreements
- Workforce Protection

Conflicting Pressures

Juggling Transparency, Quality, and Cost

Transparency

Price Transparency
Facility Fees
Community Benefit Reporting or
Tax-Exempt Accountability Laws

Quality

Mandatory Reporting
Emergency Holds
Maternal Health Outcomes
Scope Expansion

Cost

Consumer Protection/Deceptive
Trade Practices
AI Use Regulations

Liability

- Creation of New Mandates and Duties
- Attacking Caps on Damages
- Expansion of Statutes of limitation
- Privileging and credentialing

Elections

Unpredictable

Healthcare issues on the campaign trails:

- Drug Pricing
- Home Health Coverage
- Reproductive Health

Healthcare on the ballots:

- Reproductive Health
- Marijuana

Predictions
